GARGOYLES
TRADING CARDS

DON'T BE AFRAID OF THE DARK

Sundown approaches. It is time. A web of cracks stitch across the stone surface of a leering statue. The stone powders and explodes. From the debris emerge *Gargoyles*. Stone by day, fearsome flesh and blood creatures by night—these winged warriors battle modern day barbarians.

Dark. Foreboding. And menacing. *Gargoyles* is set against the backdrop of New York City's night. The first dramatic action series from Disney Television Animation premieres in syndication this fall.

Collect all the Gargoyle heroes captured in dramatic animation. You'll find evil archenemies lurking in each episode, along with character and battle card subsets. All in this premium 90-card series debuting April 1995.

- Bonus pop-up cards in every pack.
- Randomly inserted bonus two-sided foil Spectra Cards.
- Exchange card for a free *Gargoyles* home video.
- Exchange card for an exciting SkyMotion™ card.

EDITOR'S NOTEBOOK

Dear Archie Readers,

Now that summer has officially started, you no doubt have your whole vacation planned out to the very last detail. Ha! Ha, ha! Ha, ha, ha! Well, just in case you do, you might not have time to earn some EXTRA MONEY. Do I have your attention? If I do, then think about this.

Whether you're a member of the Archie Club or not, Archie comics is prepared to pay out some extra moolah, IF we publish your letter on one of the Archie Club News pages. Here's all you have to do....

The subject must be "My Summer Vacation." Now that doesn't mean MY summer vacation, it means YOUR summer vacation. Get it? Share your plans and/or how you spent it. Did you go to camp? Did you have an "ugh" job or, "ech," attend summer school? Maybe you traveled or visited friends or relatives. Make your report interesting or try to be funny, like me. In any case, the best letters will be published and winners awarded cash prizes. Normally, we pay $10.00 for First Prize winners. We'll up it to $15.00! This applies to "My Summer Vacation" reports only. All entries must be postmarked no later than AUGUST 31, 1995.

So take advantage of all that spare time you have this summer. Hey, fifteen bucks can go a long way if you invest it wisely. Like buying Archie Comics or pork bellies.

Just a reminder, July 27-30 is the San Diego Comic Convention. If you're in the neighborhood, stop by and say "Hi!"

Archie will be there ... maybe even Betty & Veronica.

Helped Tim with speech. Told him to pick a topic he enjoys. Tim picked mountain bikes. We had a bowl of my delicious cereal.
Tim's speech is getting better. Got him to imagine his audience in their underwear so he wouldn't be so nervous. Brought Tim 2 more boxes of Crunch. He loves that sweet crunchy taste!
Tim can't wait to give speech. Maybe all he needed was to crunch up his confidence. Cleaned my room. Have to stop eating my cereal in bed.
Took Tim his favorite cereal, Capn Crunch. He's not sure about giving a speech to his class. Sent blue suit to cleaners.
Tim's speech was terrific! Got applause from the whole class. I knew he could do it. Weekend! Time to go to national Speed boat races!

Dear Cheryl
DON'T LET HER SWEET TALK YOU! IT'S NOT RIGHT!
SHE'S PLAYING WITH YOUR HEAD!

BY SARA ALGASE

Dear Cheryl,
There's a boy in my class. He acts like he doesn't know I exist. Every time I get close to him, he ignores me. What should I do? **-- Kelly, Seattle, WA**

Dear Kelly,
I've got a tip that can turn any boy's head. Try dropping all your books and papers on the floor right near him, then let him be a gentleman and pick them up. When he does, bat your baby blues (or browns) and ask him for a date. **-- Cheryl**

Dear Cheryl,
Sometimes I feel so unpopular when people make fun of the things I wear. I try to be in style, but I never have enough money to buy new clothes. How can I be in style without spending a lot of money?
--Jacqueline, Stephens City, VA

Dear Jacqueline,
Here's a little tip I'd try: complain to your friends, especially the rich ones, that you have nothing to wear. Maybe they'll take pity on you and let you borrow some of their clothes, or even give you them as hand-me-downs. What are friends for if not to help you stay in fashion?-- **Cheryl**

Dear Cheryl,
I like a boy named Will. But I already have a boyfriend. I like my boyfriend a lot but not as much as Will. I've been asking my friends to ask him if he likes me. But he says no. What should I do? **-- Alexis, Topeka, KS**

Dear Alexis,
A girl after my own heart. I've had practice dating two guys at once (sometimes three or four) and believe me, it's a lot of work. You've got to decide if you want Will or your boyfriend and then take action. I'd say for now since Will isn't interested, give your loyal boyfriend another chance. **-- Cheryl**

Dear Cheryl,
I go to a small school. The boys in my class are really shy, but all of my friends tell me that this one boy in my class really likes me. How can the girls get the boys to open up? (We've already tried strutting our stuff.)
-- Vicky, Saskatoon, Canada

Dear Vicky,
Keep strutting your stuff. And why don't you plan a party with dancing and food? Invite all the cutest boys. But discuss with your friends which boy they want to go for so there will be no fighting over boys at the party. **-- Cheryl**

Dear Cheryl,
My sister works in the mall. She is a real sweet girl, that is when she's not in public with my mom and me. When we go to the mall together she tries to act like we're not even there. I don't know what to do.
-- Christine, Saint Louis, MO

Dear Christine,
Your sister must be in her teenage years when being seen with your family is considered very un-cool. Try to explain the situation to your Mom that it's not too cool for her to tell your sis "to eat her vegetables" in front of sis's friends. I think you all should hang out somewhere where there's less chance of being seen, like the opera. **-- Cheryl**

Dear Cheryl,
I LOVE Archie and I want him to be my boy. Give him up for me. Archie is the love of my life!
-- Archie-sick in Atlanta, GA

Dear Archie-sick,
You're right, Archie is quite a catch, and that's why I intend to hold on to him. But it is sweet of you to write in. And that's why I'll be nice and tell you -- get within twenty feet of my man and you're in trouble. **-- Cheryl**
